The cost of providing the services of a professional carer is estimated. All donations received will go into a fund to be used by Alzheimer's Australia WA Ltd to provide professional care for persons with dementia. This essential service gives family carers a much-needed break from their demanding caring role while the person with dementia is able to benefit from additional companionship and support.

The Iris Appleyard Foundation is 100% not for profit and accounts for every dollar received. The Foundation is subject to a strict auditing process and part proceeds are used only for essential operational expenses.
